GOSLYN 5 YEAR WARRANTY STATEMENT

Products sold by Goslyn, LP are warranted by the manufacturer to be free from defects for five years starting on the date of final purchase (date delivered to site). The warranty includes all materials and workmanship.

Goslyn warranties are subject to the following conditions if the product proves to be defective due to poor workmanship. The product may be repaired or replaced as Goslyn sees fit in order to restore system operation without any charge for materials as expressed in the exclusions listed below:

- 1) The products must not have been altered, repaired or serviced by any other person besides Goslyn without the authorization to do so.
- 2) The product must not have been struck by lightning or any other acts of Nature, vandalism, abuse, or misuse.
- 3) The product must be routinely maintained.
- 4) Warranty shall be void immediately if equipment is used in any other application besides the handling of waste oil as per its design

Goslyn, LP is not liable for any loss, damage, or injury directly or indirectly caused due to the use or failure of workmanship of their products.
